Thank You for your interest in our low cost spay and neuter program. Donations made to our shelter allow Cat Welfare to pay part of the cost of this important surgery to help those who cannot afford it. This is our way to help end the cat over population crisis.

Return this completed form along with a check or money order made out to *Cat Welfare Altering Fund* for the total amount of surgeries you are requesting. Upon receiving your payment, we will send you the name of the veterinarian where we have authorized the surgery.

These prices include FVRCP(distemper) and RABIES vaccinations. Upon receipt of this form along with your payment, you have agreed to have your cat vaccinated for feline distemper and rabies (unless you show proof of current vaccinations).
